

Do you want to look forward to your NCEA external exams?

This leading interactive revision tool will make it a reality.

NCEA Eagle provides **one place** where you can:

- Have access to 450 of the most likely questions in your exam.
- Get instant feedback as you practice perfecting merit and excellence answers.
- Learn exactly what you need to know at each level.
- Track your progress as you become confident in obtaining excellence grades.
- Utilise tools that boost memory and thinking skills to “lock in” the exact knowledge required for higher grades.
- Identify how to avoid common mistakes.
- Learn how to create big picture views that are unforgettable.
- Eliminate procrastination by receiving regular incentives, encouragement and inspiration.

“It’s like having a personal tutor for the whole year for less than the price of one tuition session.”
